Forecast For East of England
Issued by Met Office Exeter
at 0400 on Friday 17 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early fog clearing. Fine and dry with warm sunny spells.

Today:
Any early mist and fog patches soon lifting and breaking. A fine day then follows, with warm sunny spells but also variable amounts of cloud. Maximum temperature 22 deg C (72 deg F).

Tonight:
Mainly dry with clear spells at first. Low cloud thickening in places overnight, and where clear skies persist mist and fog patches are likely by dawn. Minimum temperature 12 deg C (54 deg F).

Saturday:
Mist and fog clearing, to brighter spells but also variable amounts of cloud. Isolated showers are possible during the afternoon, but most places staying dry with warm sunny spells developing. Maximum temperature 24 deg C (75 deg F).

Outlook for Sunday to Tuesday:
Early fog lifting Sunday morning, with brighter spells but also heavy, perhaps thundery showers following. Drier with some brighter intervals Monday and Tuesday, but rain or showers still possible.
